Feb 13, 2022 · So, in essence, Book 1 took decades, while book 4 will probably take about six months to a year from the time of first conception to the final draft. That being said, a lot of the research is already done for the series, so that cuts the time down quite a bit. A list of characters from the series The Disastrous Life of Saiki K.. Beware of unmarked spoilers. (Name order note: to better demonstrate this series' psychic-related Punny Names, all names here are arranged surname-first.) Saiki FamilySaiki ... The characters were likable, but I wasn't completely attached to them. Unfortunately, I wasn't a huge fan of the writing style either. From some of the reviews I read, they said that this book was a cheaper version of Miss.Peregrine's Home for Peculiar Children. Unfortunately, I didn't read that book yet so I cannot compare the two. Shutter Island. During an investigation of a disappearance from a remote asylum, U.S. Marshal Edward "Teddy" Daniels realizes that he himself is the missing patient — and the husband and murderer of the woman that he had been trying to locate.
